The Maryland Center of Excellence  
on Problem Gambling

The Maryland Center of Excellence on Problem Gambling (the Center) offers Peer Recovery Support Specialists to help individuals seeking to limit, control or stop their gambling. The Center's Peers have lived experience with addiction and have been in recovery a minimum of two years. They are trained in how to assist those seeking help with gambling behaviors by providing access to treatment, connecting them to resources, and supporting them with encouragement during the recovery process.
